

IMAGINARY RESTRUCTURING HAIR MASK

Vegan **86%** NATURAL
INGREDIENTS

A mask especially indicated for brittle, dry, damaged and dull hair. The formula helps to repair the hair fibre and provide a high degree of softness to the hair. It also helps to increase hydration, thus improving its flexibility and resistance to breakage. It does not weigh down and repairs the hair profoundly.

ACTIVE INGREDIENTS AND COMPONENTS

PEACH EXTRACT

Oil with a large amount of Vitamin E, helps to provide elasticity to the hair. Its application regenerates the cuticle of the driest and most damaged hair, closing it, thus preventing split ends and increasing its strength. Shiny, soft and silky hair.

TIARE FLOWER EXTRACT

This extract contains a high concentration of active ingredients with moisturising, nourishing and softening powers. It has a high capacity to retain moisture, making the hair more elastic and preventing it from breaking.

APPLICATION

After washing the hair, apply the necessary dose of mask according to the length of the hair, leaving the product to act for a few minutes. In case of very damaged hair, leave it on for a longer time. Once the time has elapsed, rinse abundantly with water.
