

IMAGINARY SILK CONDITIONER

Vegan

85%

NATURAL
INGREDIENTS

This conditioner has been formulated for all types of hair. Its smoothing and detangling creamy formula contributes to the restructuring of the hair cuticle, and helps protect it from UVB sun rays and external factors.

It helps to soften the hair, making it easier to untangle, and to minimise static electricity, adding shine to the hair.

Restructuring and softness for your hair.

ACTIVE INGREDIENTS AND COMPONENTS

HYDROLYSED COLLAGEN

Component that provides softness to the hair. In addition, it helps to strengthen, protect and repair damaged hair, affecting the entire hair fibre.

SOLAR FILTER

The sunscreen forms a protective film around the hair, preventing its degradation, effectively absorbing the sun rays without damage to the hair.

APPLICATION

After washing and with the hair damp, apply a generous amount of conditioner and massage. Let the product act for 3 minutes. Once the exposure time has elapsed, rinse with plenty of water.
